Ed dug into the ER yesterday and expects to have it back to me soon. I've got meeting/field days on both Friday and Monday, so I may not be able to finish things up until Tues/Weds. But hopefully we'll resubmit by next week!

Just FYI, everything is with Ed, who, when we last spoke, expected to start working on the second draft of Venice ER yesterday. So hopefully we'll be resubmitting the week after next. My MDP is complete except for updating a couple of portions derived from his ER, and a pagination update/formatting check, which I will do once he has completed the ER.

Ed got me the ER over the weekend but due to other deadlines and commitments, I won't be able to do anything with it until tomorrow. So I hope to resubmit by Weds!

When I synced up Ed's new ER with my MDP, I found a couple small things to resolve in ER. MDP and dbase are 100%; I am waiting on one edit from Ed for ER. ER's 99.9% and all three will be incoming on Monday morning.

Have a great weekend!
